

## “Back to Business” for September – 25% OFF

### An advertising offer to help you reconnect with customers

With the holidays over and schools going back, September is an ideal time to start advertising your business to the local community.

#### **The MyThornbury.co.uk, MyYate.co.uk and MySodbury.co.uk websites**

have built up large and loyal local audiences over the last 15 years, and they’ve stayed with us throughout lockdown. We'd like to help more businesses reach those potential customers.

Thanks to funding from South Gloucestershire Council aimed at helping local traders recover from the effects of COVID-19, we are able to offer you discounted advertising.

Enjoy **25% off** your advertising campaign on any combination of the three websites when you book by the end of September 2020.

Choose from:

- a **sidebar graphic advert** on every page
- a **graphic advert** appearing in rotation in multiple locations on key pages
- an **enhanced text advert** in the directory

Costs start at £54 for 12 months (includes discount) and campaigns can be tailored to suit your business aims.

There is a limited amount of Council funding, and once it’s gone, it’s gone, so get in touch soon.
